**STIPULATION FOR EXTENSION OF TIME FOR DEFENDANT  
TO FILE MOTION FOR SUMMARY JUDGMENT  
REGARDING THE STATUTE OF LIMITATIONS**

Through counsel, Plaintiff Jesus M. Herrera and Defendant MDU Resources Group, Inc., d/b/a Montana-Dakota Utilities Company, stipulate that Defendant may have an additional seven (7) days to file its Motion for Summary Judgment to address the statute of limitations, which was identified and discussed in the parties Status Report from June 8, 2023. Doc. No. 33. Good cause exists for the extension because this is a threshold issue that the parties agreed to address before undertaking additional action, and while Defendant has been diligently working on the motion, additional time is simply necessary to address and finalize certain outstanding issues. In turn, the parties request the Court issue an order extending the deadline for Defendant's Motion to **Monday, August 7, 2023**. If the Court would like to discuss this further, or if there are other issues to address, the parties will make themselves available for a status conference.
